

## IPT-KT-KNB33-Li25

Upgrade safety and performance with IPT batteries for your two-way radios.

### Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality, safe and efficient batteries, chargers and portable power solutions.

IPT products undergo extensive testing at every phase of production to ensure safety, performance and reliability for your critical applications. Our batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

### IPT Warranty

Impact Power Technology batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of their rated capacity for one year.

### Features

Longer Lifecycle: ~ 325

Lighter Weight: 181g

### Specifications

Model: IPT-KT-KNB33-Li25

Chemistry: Lithium ion

Capacity: 2500 mAh

Operating Temp: 20°C - 40°C

Operating Voltage: 7.4
