

IPT-KT-KNBL2-Li

Maximize your radio's performance with Impact Power Technology high-capacity Lithium Ion battery for EF Johnson and Kenwood compatible devices.

Guaranteed Quality

At Impact Power Technologies, we understand that your handheld radio is your lifeline and that you need a battery you can trust. Our batteries are designed with the end user in mind ... safety, performance, reliability.

IPT batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

Impact Power Technology batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of their rated capacity for 12 months.

Features

Long Lifecycle: **>450**

Lighter Weight: **.4 lbs**

Specifications

Model: **IPT-KT-KNBL2-Li**

Chemistry: **Lithium Ion**

Capacity: **3400 mAh**

Operating Voltage: **7.4**
